

SMART CITY SUMMIT 2012

Milano, Centro Congressi ABI, 2 Luglio 2012

Biografia Speaker

LLUIS OLIVELLA

Director at Institut Minicipal d'Informàtica, City of Barcelona

Lluís Olivella (Barcelona, 1947) is an industrial engineer. He worked in the Information and Documentation Consortium of Catalonia until 1975.

In 1976 he received his PhD in Information Technology.

He was the Computing Centre's head of the Technical University of Catalonia (UPC) until 1983 and professor of Operative Research at the Autonomous University of Barcelona (UAB) and at the Faculty of Information Technology of the UPC (FIB).

Since 1985 he has been the head of the Municipal Computer Services, first as Director of the Municipal Computer Centre and since 1995 as Director of the Municipal Information Technology Institute of Barcelona City Council. Currently, he is holding the position of Deputy Director in this Institute.
